The month of February has been designated as our time for a Bible Class Drive! Let's emphasize the importance of Bible Classes and be sure to take advantage of the opportunities to learn more from God's Word. Under the leadership of the elders, you are provided with great classrooms, good material, caring teachers, and fellow members who are eager to learn. Our children also benefit from a lifetime of Bible class learning!

Don't miss our Bible classes this Sunday at 9:00 AM, Wednesday at 7:00 PM, and the Ladies class on Wednesdays at 10:00 AM.

Dinosaurs? How do these creatures make it into a discussion in a church Bible class or lesson?

From Friday through Sunday, February 10-12, we will be treated to some great lessons on "Dinosaurs, Science and the Bible." Most science books teach that dinosaurs lived a long time before man walked the

earth. This idea is false!

Eric Lyons, from Apologetics Press in Alabama, will speak on many topics relating to evolution and the Bible. A schedule of times can be found in page three.

We ask all members to do the following to prepare for this exciting weekend:

- 1-PRAY for our efforts
- 2-INVITE others to join us
- 3-POSTCARDS are available to mail or handout
- 4-ATTEND each lesson in the seminar and bring your children.

Let's have a great weekend of Bible learning, fellowship and Sunday worship!

-Mark

## WAY TO GO YOUNG MEN!

It is amazing to see the young Men in the church display such amazing ability leading the worship service. We are really blessed to have a youth group full of young Men and Women that are willing to work so hard and be involved in so many activities. We would like to say thank you to: Logan James, Joseph Graham, Reagan

Hammitt, Levi Stark, Tyler Crowe, Robert Gatica, Stephen Gatica, Derrick Gonzales and Brant Hudgins. It is important that we encourage each other and especially the youth group. Often times we mention that we need to prepare our youth to become the leaders of the church. We say that they will be the future of the church, but they are

already the church! God has been good to all of us, He has blessed us with LOVE, CARE and many more things that we cannot even count, so let us continue to make Him proud with our actions.

-Christian Torres

Dear Christian, Brittany and the girls and boys from our youth group, These young people are exhibiting their faith in our Lord and His teachings. We are so thankful they thought about and wanted to help with yard work. This they did, raking up 15 garbage bags of leaves! Before they left we all gathered on our deck and they sang songs for us. Beautiful and inspirational! We are proud of each one of your and thankful for you.
